Registration Will Exceed That
Of Last Year.

With Only Few Local Offices to In-
terest Them, Republicans Came
Out.

THE TABLES FOR COMPARISON.

If the Democrats were busy the first day of registration, the Republican organization made up for lost time yesterday and got out 44 more votes than their opponents. The registration fell off from last year by 334 votes. The Democrats this year have a state primary to stimulate them, while the Republicans have not even a congressional candidate to vote for, and yet the Democratic registration fell 140.

A comparative statement for the days of each year shows how the situation stands:

Dem. Rep. M.
1906 1,984 1,386 163
1905 2,124 1,626 187

Both party organizations have been hard at work, and despite tricks that were vain, notably a few illegal registrations in Glaner's precinct, the day passed quietly. In some precincts the Republican workers went home at supper time, having registered their strength.

As usual the Democrats registered a great many who will support the Republican ticket. Last year the registration showed a Democratic plurality of 598, but the majority of the Republican candidates won by pluralities ranging around 200.

Total registration was 3,533 as against 3,887 last year.

Chattanooga, Tenn., Oct. 17.—The body of the Rev. Sam Jones, who died on a train en route from Oklahoma to Little Rock, accompanied by his wife and two daughters, passed through Chattanooga today. Mrs. Jones states that the report sent out that Mr. Jones died in a birth of a sleeping car is erroneous. He died in a day couch which he occupied, as he complained of not feeling well and wished to sit up. On account of the public interest all over the south Mrs. Jones and daughters have postponed the funeral until Thursday at 2 p. m. The body will lie in state in their Cartersville home.

MRS. DAVIS DIED LATE LAST NIGHT

PNEUMONIA OVERCOMES HER REMARKABLE VITALITY.

Widow of Confederacy's Only President Passes Away Surrounded by Family.

SECOND ATTACK OF MALADY.

New York, Oct. 17.—Mrs. Jefferson Davis died at 10:27 o'clock last night. Her death was due to pneumonia induced by a severe cold, which Mrs. Davis contracted upon her return from the Adirondacks where she had spent the summer.

Although grave fears were felt from the first, Mrs. Davis' wonderful vitality which brought her through a similar attack a year ago, gave hope of ultimate recovery until last night, when a decided change for the worse took place.

She rallied slightly early yesterday morning but about 8 o'clock lapsed into a state of comatose unconsciousness continued to the

The remains of Mrs. Jefferson Davis, widow of the president of the Confederacy, will be taken to Richmond, Va., for burial. According to tentative plans the funeral party will leave New York Thursday. The funeral will be held Friday. Hundreds of messages of condolence were received today by members of the family from noted persons all over the country.

President's Condolence.
Washington, Oct. 17.—The president today sent the following message to Mrs. J. Addison Hayes, daughter of Mrs. Jefferson Davis: "Pray accept the most sincere sympathy of Mrs. Roosevelt and myself." The president also directed that a suitable floral tribute be sent from the White House conservatory for the funeral.

MASON'S

OPEN SESSIONS IN MASONIC TEMPLE, LOUISVILLE.

Grand Lodge Election of Junior Warden Is Interesting Event—Murray Man.

Louisville, Oct. 17.—The one hundred and sixth session of the grand lodge of Kentucky Masons was opened with the usual impressive ceremonies at 10 o'clock yesterday at the Masonic Temple.

James Garnett, the grand master, presided, and at his side sat Samuel K. Veach, the deputy grand master, who will be elected grand master at the close of the present session. Henry P. Barret, the grand senior warden, and Virgil P. Smith, the grand junior warden, were both at their posts. According to long established custom, Mr. Barret will succeed Mr. Veach as deputy grand master, and Mr. Smith will become grand senior warden.

The great prize of the meeting is the place of grand junior warden, for this officer in due progress of promotion always becomes grand master. The field is open. Masonic law forbids canvassing for this position.

Capt. John Cowles, of Louisville; Mr. B. M. Arnett, of Nicholasville; H. R. Burnam, of Richmond, and R. S. Coleman, of Murray, are mentioned as candidates for grand junior warden.

BETTER

IS MR. W. C. ELLIS—TO BE BROUGHT TO PADUCAH.

Mr. William Hughes, of the Paducah Banking company, has received word today from Smithland that Mr. W. C. Ellis is some better and will be brought to Paducah to day. He has been seriously ill from typhoid-pneumonia and his daughter Mrs. William Hughes left yesterday for Smithland to bring him home. A trained nurse has been telegraphed from Louisville to meet them here. Mr. Ellis has returned recently from Asheville, N. C., where he was this summer and spends much of his time.

CHILD DIES OF BROKEN HEART

Cleveland Five-Year-Old Killed By Grief for Dead Baby Sister.

Cleveland, Oct. 17.—Lila Marie Sack, the 5-year-old daughter of Albert E. Sack, died today of a broken heart. Since she had been old enough to play with dolls the little girl had longed for a baby sister. A year or so ago the stork brought a baby brother to the household, but little Lila was not satisfied. She wanted a baby sister. A few weeks ago the child's mother told her that another baby would come soon. Wednesday the stork brought a baby sister, but the child was born dead. Little Lila was grief stricken. She cried all day and night. This brought on headaches and fits of nausea. She grew weaker and today died. The coroner said that grief had killed her.

ROOT SURPRISED AT THE PROGRESS

REPORT WORK ON THE PANAMA CANAL AS HE SAW IT.

Secretary Shaw Is to Resign and Cortelyou Is to Take Treasury Portfolio.

GOSSEPP FROM THE CAPITAL.

Washington, Oct. 17.—Secretary Root, who spent two days on the Isthmus of Panama on his return from his trip to South America, has written a letter to the president giving the results of his observations of the work on the canal. The amount of actual excavation done and near Cutebra cut, Mr. Root says, both gratified and surprised him.

The secretary expressed the opinion that the time occupied in preparing for contracts for continuing the work has not been excessive, or that, especially in view of the fact that the work has been vigorously prosecuted in the meanwhile, there is any ground for imputing any delay whatever to the managers of the canal construction.

"The greater danger in the way of canal construction now seems to me," he says, "to be lest the really good and able men who are competent to handle it, and who can get profitable employment elsewhere, should be unwilling to continue in the services under indiscriminate misrepresentation and abuse."

LAUTON FOR SUPREME BENCH.

Washington, Oct. 17.—It is stated today upon excellent authority that President Roosevelt will probably this week announce the appointment of Judge Horace H. Lauton, of Nashville, who now presides over the Sixth judicial circuit, to the supreme bench, to fill the vacancy to be created by the retirement of Mr. Justice Brown.

Cortelyou for Treasury.
Washington, Oct. 17.—The post says today it is able to state without qualification that Postmaster General Cortelyou will be transferred to the treasury to succeed Secretary Shaw and in due time definite official announcement to this effect will be made.

The great prize of the meeting is the place of grand junior warden, for this officer in due progress of promotion always becomes grand master. The field is open. Masonic law forbids canvassing for this position.

Woman's Trials.

The bitter trial in a woman's life is to be childless. Who can tell how hard the struggle may have been ere she learnt to resign herself to her lonely lot? The absence of this link to bind marital life together, the absence of this one pledge to mutual affection in a common disappointment—Many infertile couples become estranged thereby. Even if they do not drift apart, one may read the whole extent of their disappointment in the eyes of such a childless couple when they rest on the children of others. To them the largest family does not seem too numerous.

In most cases of barrenness or sterility, unless the disease is a child-bearing is easily removed by the cure of weakness on the part of the woman. Mr. Pierce's Favorite Prescription has been the means of restoring health and fruitfulness to many a barren woman, to the great joy of the household. In other, but rare cases, the cause of sterility has been found to have been found to be of an energetic character, but easily removable by painless operative treatment at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., over which Dr. Pierce of the "Favorite Prescription" fame presides. In all such cases, where desire is desired and is absent, an effort should be made to find out the real cause since it is generally so easily removed by proper treatment.

In all the various weaknesses, displacements, prolapses, induration and debilitating, causing debility and in cases of convalescence and debility, Dr. Pierce's Favorite Prescription is the most efficient remedy that can possibly be used. It has to its credit hundreds of thousands of cures—more in fact than any other remedy put up for sale through druggists, especially in women. The ingredients of which the "Favorite Prescription" is composed have received the most positive endorsement from the leading medical writers on *Medical Materia Medica* of all the several schools of practice. All the ingredients are printed in plain English on the wrapper enclosing the bottle, so that any woman who uses it, or any famous medicine may know exactly what she is taking. Dr. Pierce takes his patients into his full confidence, which he can afford to do as the formula after which the "Favorite Prescription" is made will bear the most careful examination.

Dr. Pierce's Pleasant Pellets are the best and safest laxative for women.

GREEN WILL DIE****SHOT IN BACK BY UNKNOWN
MAN LAST NIGHT.****NEGRO CAR CLEANER OF TRACTION COMPANY MEETS WITH FATAL RECEPTION AT HOUSE.****HE SAYS IT WAS UNPROVOKED**

With a large caliber pistol ball lodged in his lungs Tom Green, a negro car cleaner staggered into the Paducah Traction company sheds on West Broadway, at 11:30 o'clock last night, saying that he was dying. He reeled, fell across the platform of a trailer and remained motionless. Laborers rushed to his side, carried him into the office and summoned medical assistance.

Dr. Frank Boyd found Green alive but perhaps mortally wounded. A pistol ball had entered his back just below the shoulder blade on the right side and lodged in the lung. The physician was unable to extract the bullet and had Green removed to his home on Thirteenth street, half a square north of Trimble street. It is the physician's opinion that Green will die.

Green was able to talk, and claimed an unprovoked attack was made on him by a negro. He left the car shed about 11:15 o'clock and walked across the commons from Kentucky avenue to Allee Perkins' house, back of the railroad shops. He claimed he had a message for the woman.

"I knocked," Green explained. "The door was opened and a strange negro ordered me away from the house using a vile name and I turned to go as he shot me. Green ran to the car shed.

This statement was made to officials of the traction company and Dr. Frank Boyd. Green claimed he did nothing whatever to provoke the assailant.

The police sweated the woman, but she claimed she knew nothing about the matter. The name of the negro who did the shooting was not learned last night, the woman saying he was called "Pretty Boy." The police are unacquainted with such a character.

Woman Divulges Name.

This morning the Perkins woman divulged the name of "Pretty Boy." She was intoxicated last night when brought to the city hall and told several different stories about the affair, first claiming that she had been to her aunt's home and knew nothing about it. To Patrolmen Ernest Hill and Dick Wood she said the fugitive's name is Elijah Lewis. He is about 25 years old.

Police Judge E. H. Puryear issued a warrant this morning at 10 o'clock for Lewis, charging malicious shooting with intent to kill, and ordered the Perkins woman locked up for drunkenness. She was fined \$1 and costs.

Why Vinol Is Better Than Any Other Remedy to Restore Health and Strength

WE RETURN MONEY IF IT FAILS TO GIVE SATISFACTION

W. B. McPherson, Druggist.

Because Vinol is a real Cod Liver Preparation and does not contain a single disagreeable or harmful ingredient and is not a secret formula.

Because Vinol contains all the medicinal elements—the soothing, healing, strengthening and flesh creative properties of Cod Liver Oil—but without oil or grease.

Because everything in Vinol,—except the tonic iron and a fine old wine,—is actually extracted from fresh cods' livers and their oil.

Because Vinol is deliciously palatable and agreeable under all conditions. Everybody likes it.

Because Vinol tones up the system, strengthens every organ, nerve, muscle and fibre of the whole body and thus overcomes weakness by thoroughly eradicating the cause of disease.

That's Why Vinol is altogether different and better than any other remedy for Coughs, Colds, Bronchitis, and all Throat, Lung and Wasting Diseases.

That's Why Vinol Restores Health and Strength to Delicate Children, Feeble Old People, Weak and Sickly Persons, Nursing Mothers, and Convalescents.

SUBMARINE BOAT DOES NOT COME UP

Crew of Fourteen of The Lutin Are Drowned.

Plunging Experiment Off Coast of Tunis Results Disastrously to Sailors.

BELONGED TO NAVY OF FRANCE.

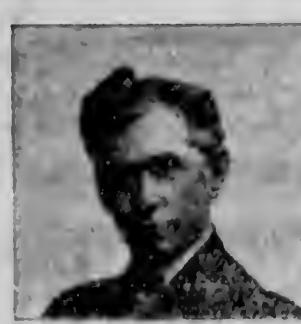

Paris, Oct. 17.—M. Thomson, minister of marine, has received an official dispatch from the naval commandant at Bizerte confirming the sinking of the submarine Lutin.

Bizerte, Tunis, Oct. 17.—The French submarine Lutin left this port this morning for plunging experiments. Signals were received at 10 o'clock which reported her disappearance. Two torpedo boats and three tugs have gone in search of the submarine.

It appears almost certain that the crew of the Lutin has suffered a fate similar to that which overtook the crew of the submarine Farfadet here last year. The crew of the Lutin numbered 14 men under the command of Lieutenant Phœnix.

Admiral Heline, commander of the Tunis naval division, who went out on board a tug returned late today and said that owing to the heavy seas and obscurity it was impossible to continue the salvage operations until dawn. The tugs and torpedo boats, however, will remain near the place where the Lutin made her plunge throughout the night.

"Didn't you say that the bosses must go?" "I did." "And here you are setting yourself up as a boss." "Certainly. Why did you suppose I wanted the other fellows to go?"

I have just gotten back from a three months' trip in the west, in the interest of my company.

Just before I left I talked to three men, who have since died. Each one of them was in "good health" — didn't even "feel bad."

One man was busy and asked me to "call again."

Another was busy and asked me to "call Saturday."

Another said he "was not ready."

Most men like to put off the thought of taking life insurance, but when cases of this kind are brought home to them they should sit right down and think—think of the uncertainty of life, the certainty of death and their sacred duty to their families.

I am in position to offer you Life Insurance of a high class at lower rates than other companies charge for "straight life." If you want to consider protection for your family, just call me up or drop me a line.

I promise not to bore you, for my time is as valuable as yours.

Fine Program And Famous Men Will Be Features.

Commissioner Vreeland Will Attend and Promises an Excellent Representation of State.

PROGRAM FOR THREE DAYS

All the boats now are complaining of the muddy banks left by the falling rivers. It is extremely difficult to load freight when walking over the slippery banks. The river fell 1.2 in the last 24 hours. The stage this morning is 11.8. Cloudy weather suggests more rain. Business at the wharf was better than yesterday.

In the absence of any word to the contrary, it is supposed that the Georgia Lee will leave Memphis today on the first trip to the Cincinnati-Memphis trade since spring.

The Buttfield arrived last night from Clarksville and left today at noon for Nashville.

The Lydia will go up the Tennessee river after tea tomorrow.

The Henry Harley was the Evansville packet today. The Dunbar arrived yesterday afternoon at 3 o'clock.

The Clyde is receiving freight today for the up trip to the Tennessee river this evening at 6 o'clock.

Six tardy passengers for the Dick Fowler arrived after the boat had started this morning, but by crossing the deck of the Clyde they managed to board the Dick Fowler with the aid of the roasters who threw out a plank. The boat hardly stopped during this operation, and Captain Hewlett on the roof of the cabin, grimly but unmoved waved the pilot onward.

SETTLEMENT DESIRABLE.

It seems the rational thing for the general council to invest City Solicitor Campbell with authority to negotiate with the attorney for the East Tennessee Telephone company for a settlement of the misunderstanding existing between the city and the company. Business concerns and even nations when they wish to treat on any matter, usually delegate one man on each side to carry on the negotiations. It is self-evident and experience proven that two men can come to an understanding quicker than can half a dozen with varying temperaments, bent of mind and personalities. Although the differences between the corporation and the city are of long standing, there is only the question of 1,000 subscribers actually preventing the issuance of a franchise to the telephone company. When the committee of the general council took up the matter with representatives of the company, the council insisted that the terms of the franchise should become operative as soon as the company should have 4,000 subscribers. The company insisted that the number be 3,000. That was the only barrier to the consummation of the agreement, and it is reasonable to suppose that if it were left to one man for each side, they would quickly have come to terms. The company has for years been operating under an old grant from the state, and the city has been insisting that a franchise should be issued by the company. This proposition readily was assented to, but the terms concerning rates based on the number of subscribers naturally brought about some haggling. The city in its dealing should always take the business course, save where its veracity is at stake. Solicitor Campbell urges a settlement on the ground that even if the city wins in prolonged law suit, it will be out

thousands of dollars, without gaining any material reward from its victory. He further promises to see that the city's interests are protected in the compromise. No one in the general council seems to fear the solicitor's honesty when he asserts that he is doing this only because he sees in the single chance for a settlement of this grievous difference. He would not likely assume such a responsibility voluntarily without some weighty reason. The proposal is worth a trial.

Memphians were always known to be thrifty, but the city lays claim to some sporting blood. One of her well known rounders seems to have got the two elements mixed in his composition, and in a spirit of magnanimity, just to make a poor little chorus girl have a good time and always think well of Memphis, he let her have his diamonds to play with until she left town. The company started south and the jewels started with it and got as far as Nashville. He had the naughty ephorine arrested for breach of trust and, it is said, recovered one of his diamonds. Fickle little dancers, who have been used to no one more sophisticated than the easy marks of New York and Pittsburgh, will have to inform themselves that Memphis sports know a thing or two, and don't let their jews go any farther than their affections.

Governor Beckham boasts that the Democratic state primary is held a year before the election so that the people will have plenty of time to meditate and not be taken by surprise with a snap nomination. On the gloomy other hand, Senator McCreary forebodes the factions split of twelve months will jeopardize the chances of Democratic success. Maybe they are both right.

O. well, if the "Recollections" published by young Prince Alexander Von Hohenlohe proves a good seller, he can afford to bear the displeasure of the emperor. In fact, if he had a Yauke publisher, we would suspect some advertising design in the royal snub.

We observe that the Paris mob, which exhibited its displeasure with the race so candidly Sunday, robbed the bookmakers before it turned its attention to any other features of the course.

That Broken Marriage Ball club recently organized in New York should have a Co-respondent Ladies' Auxiliary affiliated with it in order to make it thoroughly congenial.

A special from Nashville states that a horse worth \$5,000 was stolen from Barnum & Bailey's circus. Why don't they search the press agent?

Gompers, like many another valiant but indiscreet warrior, probably will brave the Caucon's mouth but once.

We hope we may get some German maids as thrifty as Bertha Krupp to join our band of immigrants.

No news is not good news to the friends of Polar Explorer Perry.

LEEPER DROPPED DEAD.

Wrestling in Livery Stable When Summons Came.

George Leeper, colored, 50 years old, dropped dead in the door of Charlie Clark's livery stable, 215 South Third street, yesterday afternoon at 4:30 o'clock. He was employed as a buggy washer and general handy man about the place. Leeper had been a hard drinker. At the door he engaged in a political argument with Mike Brunson and several other employees of the stable. Leeper playfully struck at Brunson who caught him by the arm. As he did so Leeper jumped back and sank towards the ground. He remained in a sitting posture until taken into the office where he expired. Death came within three minutes. Leeper lived at the stable and had been employed there about three years.

This morning Fred Roth, acting for Coroner Frank Baker, held an investigation and determined death to have come from heart trouble. The body will be buried today in Oak Grove cemetery.

McGill admits he speculated without the knowledge of the directors, but says it was for the ultimate good of the bank.

CONSTABLES

Climbed on Pay Car of Illinois Central Yesterday.

"When I come to Paducah next month I think I shall just turn over my Paducah employees' checks to you," Paymaster Newell, of the Illinois Central, stated to Magistrate Charles W. Emery last night. The remark was made in jest, but if conditions are not bettered the joke may materialize in a measure. Yesterday when the pay car rolled into Paducah the constables climbed aboard and began serving processes on the paymaster, attaching wages of railroad men. Every magistrate was represented. Magistrate Emery had 60 attachments against the pay car yesterday.

Orders were issued for the enlistment of 3,000 regulars to meet the insurgents. A big battle is expected in the near future. The uprising is one of the most formidable ever organized in Morocco.

FIVE AND COSTS

ASSESSED AGAINST COUNTY JUDGE LIGHTFOOT.

Looked Just Like Any Other Citizen Before the Ordnance Court—Horse Loose.

The name of R. T. Lightfoot, no other personage than the honorable county judge, was entered on the police court docket this morning, and directly opposite it was written "\$5 and costs," and it is all on account of a loose stable door.

Judge Lightfoot's horse was found roaming about Lang park Monday night and brought to the city pound by Cow Policeman Lycurgus Rice. The identity of the owner was established and a warrant followed. The defendant made no fight but stated he noticed that others had stock roving about.

"I informed Mr. Rice that he must bring up all stock found roaming at large, and that I intended to try all cases; to treat them all alike," Police Judge Puryear declared.

Other cases: Kenney Murray, breach of peace dismissed; Tom Clark, drunkenness, \$1 and costs; Little Gray, colored, malicious cutting, continued; William Doyle, drunkenness, \$1 and costs; Alice Perkins, colored, drunkenness, \$1 and costs.

Deeds Filed.

Albert F. Miles to Sidney Higgins, property in the county, \$1,175. C. A. Smith and others to W. A. Berry, power of attorney.

Court Notes.

The final dividend from the bankrupt estate of James W. Sellars was ordered by the trustee, Cecil Reed, yesterday.

J. P. O'Meara, of Elizabethtown, Ky., was sworn in to practice at the McCracken circuit bar.

In the case of J. T. Reddick against S. C. Vaughan and others, the judgment was set aside.

Judge Reed spent the greater part of the morning in setting cases and disposing of demurrers and minor matters preliminary to the hearing of actions.

How the Blood Flow Affects Health.

Few people appreciate the necessity of keeping the blood in every way in a good condition if they would have good health.

There are two factors in disease, which, by an endless variety of changes and combinations define every departure from normal conditions.

These are the BLOOD and the NERVES. They sustain life, and END IT.

ONE WEAK SPOT.

Most Paducah People Have a Weak Part and Too Often It's the Back.

Everyone has a weak spot. Too often it's the back. Twinges follow every sudden twist. Dull aching keeps up, day and night. Tells you the kidneys need help. For backache is really kidney-ache.

A kidney cure is what you need. Dona's Kidney Pills cure sick kidneys.

Cure backache and all urinary ills. Paducah people recommend the remedy.

W. W. Morris, residing at 902 Bronson street, Paducah, a school teacher, well known in Paducah, says:

"One of the members of my family has been troubled with kidney disease for some time. A good number of would-be cures were tried but they did not apparently relieve the trouble.

We noticed an advertisement about Doan's Kidney Pills and sent to Alvey & List's drug store and got a box. The pills were used and found to do all that is claimed for them, and we can endorse this remedy to anyone who is a sufferer from kidney trouble for we have great confidence in its merits."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Supt. Hillington All Right.

"Who's dead in Superintendent Hillington's family?" was the startling question going the rounds in the court house. No one knew, but some one had seen crepe on the door and this was evidence enough. The "crepe" proved to be an inoffensive black mail box which the superintendent had just nailed to his door and over it he had placed a small white card telling that he was out of the city for the day. Glancing up from the ground floor to his office door above, the card and mail box presents the appearance of crepe unless minutely studied.

Louisville, Oct. 17.—William Daugherty, one of the directors of the Boston Banking company, said last night that payment on about \$7,000 of the new paper issued by the Smiths had been refused.

"Paper representing about \$1,500, issued by C. A. Smith, father of W. B. Smith, has been honored," he said, "but the new paper issued by W. B. Smith has been dishonored," he said.

Roy Smith, who was cashier of the Boston Banking company, and who cashed drafts in the interest of his brother, W. B. Smith, for \$11,500, is still in Boston. According to Mr. Daugherty, Roy Smith continues to maintain that the money he paid out of the bank's funds on his brother's drafts will be made good. He has declared from the first that there was no intention of wrongdoing on his part when he cashed the drafts.

"I don't know just what will be done," Mr. Daugherty said. "We are giving the Smiths a little more time in which to make good the amount paid out on the paper issued by W. B. Smith. It may be that an eastern bonding company that went the bond of Roy Smith, our former cashier, will be called upon to make good the \$7,000 still outstanding. In any event, the bank's depositors will be protected, no matter what the outcome may be."

Local Business Increases.
Local business has increased on the Illinois Central in the past five years. One evident need is more yard space. This is one item to be set out in the figures for the Paducah appropriation.

A MOST WORTHY ARTICLE.
When an article has been on the market for years and gains friends every year it is safe to call this medicine a worthy one. Such is Ballard's Horehound Syrup. It positively cures Coughs and all Pulmonary Diseases. One of the best known merchants in Mobile, Ala., says: "For five years my family has not been troubled with the winter coughs. We owe this to Ballard's Horehound Syrup. I know it has saved my children from many sick spells."

Sold by all druggists.

So many times when the baby is pale and fretful the mother does not know what to do. A bottle of this medicine would bring color to his cheeks and laughter to his eyes. Give

Because He Kept Gypsies Out Or The Cabin.

Many Hands on River Now Add Picturesque Color to Scenes at the Wharf Boat.

CHILDREN ARE INNUMERABLE

Because he would not allow a hand of gypsy steerage passengers to ride in the cabin, Frank Kennedy, master on the steamer Dunbar was threatened with the "Black Hand." Despite this dire threat—a threat which in the eastern cities means almost sure death—Kennedy compelled the gypsies to go below.

The Black Hand is a secret order originating in Italy and common among all southern peoples. Its insignia is a hand holding a scimitar.

The hand of gypsies that came down on the Dunbar yesterday was the bane of the police force, who persistently hear of mysterious disorders openly attributed to this dread organization.

Theatrical Notes

KENTUCKY THIS WEEK.
Tonight—Tim Murphy in "Old Innocence."
Saturday Matinee and Night—Jane Kennard in "The Toast of the Town."

Old Innocence.
Tim Murphy, Dorothy Sherrod, and a most capable company comes to The Kentucky tonight when they will present their successful comedy of some seasons ago "Old Innocence," the piece in which both these clever players have earned unusual distinction. "Old Innocence" is one of the most entertaining plays Tim Murphy has had and the character of Jason Green one of the most fitting characters he has yet impersonated. It gives him every occasion for the expression of his many characteristics and reveals him in exactly the class of work for which he is noted as the part calls for simplicity, kindness and gentleness each of which Tim Murphy is without question a past master at depicting. His portrayal of "Jason Green" in this comedy was always a superior one and as each season adds to the development of an artist of his ability undoubtedly his return to the role will show him in a more artistic light even than heretofore.

Stock Company.
Manager Roberts, of The Kentucky announces for one week starting Monday, the DePew-Burdette Stock company in repertoire at popular prices with ladies free Monday night under the usual conditions if seats are reserved before 6 p. m. of that day. The entire company composing the Messrs. DePew and Burdette support which is one of the largest stock organizations on tour this season, has been selected with great care and consideration. Numerous players of recognized superiority are included in the cast which offers further assurance of thoroughly enjoyable performances. A different play will be presented each night and polite vaudeville will take up the time between the acts.

A Night's Diversion.
While Simple Simon Simple will not take rank with the highest class of comic opera, and perhaps will never enjoy the vogue of "Buster Brown" by reason of the winsomeness of that humorous young gentleman, yet the piece serves well for an evening's diversion, and no one who laughs at the foolishness of Simon and the incongruous Mose has cause to kick himself afterwards. To employ a phrase adapted from reviews of dramatized novels, the situations follow closely the original text. In other words, the idea of the creator is to present a series of scenes resembling the pictures in the comic supplement and he succeeds in winning many a laugh by the same surprising and ridiculous methods. In the hands of a less capable company than that in Paducah last night Simple Simon Simple would be a pitiful spectacle. The music is neither of high order, or catchy, but it is not displeasing. A large and good looking chorus is used to an advantage and the principals do clever specialties that help out the three acts. Elongated William Welp, as Simon and the talented dwarf, Jerry D. Sullivan, as Mose, compose a picture to laugh over. A male quartette plays an important part in the singing.

Jane Kennard.
Jane Kennard is announced to appear at The Kentucky Saturday matinee and night in "The Toast of the Town." Viola Allen's success last season by Clyde Fitch. It is said Miss Kennard has been surrounded by a well balanced company including Carl Autbony, who will play opposite her characterization of Betty Slageton. Before beginning his theatrical work, Mr. Anthony was engaged in the newspaper business, being on the staff of the New York Dramatic Mirror for several years. Soon after leaving the newspaper field he wrote and produced "In the Valley of the Genesee," which proved a success. In the season of 1901-02 he originated the title role in "The Village Parson," having been associated with Creston Clarke in Shakespearean repertoire previous to that time. At times he has been engaged in stock work. For three seasons he was with Bertha Galland in "Dorothy Vernon of Haddon Hall" and originated the character role of the president of the United States in "On Satan's Mount." He was later understudy to Lorraine in "Man and Superman" and was with Otis Skinner in "The Duel." He has been associated with the following stars: Fay Davis, Bertha Galland, Clara Bloodgood, Otis Skinner, Robert Lorraine, Creston and Orin Johnson. He is an considerable versatility and does hit as the Duke of A in "The Toast of the Town."
